Lighting

Soraa

soraalighting.com

This company's Sky fixture adjusts spectral content and color to positively affect the body's natural circadian rhythm. Using a full-spectrum LED source, it tunes in and out blue light throughout the day, like the sun.

Ledconn

ledconn.com

Light up your confined spaces with the Luxlinear LED tube, a fully customizable solution. Available in a range of profiles – corner, angle, narrow and wide – for a variety of applications, even p-o-p displays. It also comes with several diffuser options.

Nora Lighting
